| Manufacturer Name        | DOWNLIGHT COMFORT HIGH EFFICIENCY OPAL D150 P 15W ML 830 OP WT |
| Any Lamp all-in warranty | 5 Years                                                        |
| Average Lifetime (h)     | 100000                                                         |

## Technical Information

|                             |                   |
|-----------------------------|-------------------|
| Emergency Lighting          | No Emergency Unit |
| Tiltable                    | No                |
| Technology                  | LED Integrated    |
| Replaces (Watt)             | 2x18              |
| Wattage                     | 15W               |
| Voltage (V)                 | 220-240           |
| Dimmable                    | Not Dimmable      |
| Colour Code                 | 830 Warm White    |
| Colour temperature (Kelvin) | 3000 Warm White   |
| Colour Rendering (Ra)       | 80-89             |

|                       |                          |
|-----------------------|--------------------------|
| Colour of Light       | White                    |
| Light Colour Options  | Single Color             |
| Beam Angle (degree)   | 100                      |
| Luminous Flux (Lumen) | 2025lm                   |
| Lumen per watt        | 135                      |
| Power factor          | >0.90                    |
| Unified Glare Rating  | < 23 - for general areas |
| Optical Cover         | Opal                     |
| Product Type Category | LED Downlight            |

## Fixture Information

|                        |                   |
|------------------------|-------------------|
| Mounting Method        | Recessed          |
| Cut out (mm)           | 150               |
| IP-Rating              | IP20              |
| Impact Protection (IK) | IK03 - 0.35 joule |
| Housing                | Aluminium         |
| Colour of the Fixture  | White             |

## Dimensions

|               |     |
|---------------|-----|
| Height (mm)   | 57  |
| Diameter (mm) | 160 |

## Sensor Information

## Why Any-lamp?

|                                                                                                                                                                                                                                                                   |           |
